cabinets, cubbyholes and garages and spring clean!*

- The gates will be opened at 8 am so price your items the night before and have everything ready to bring out onto your driveway at 7 am.
- Place blankets and sheets out to place your items on, and try to group similar items together ie. toys, clothes, kitchenwares, electronics, linens, décor, art, sports equipment
- Have plenty of change available (both coins and bills) so you can do business quickly.

- Advertisements will be placed in the Irvine World News and the Pennysaver and Garage Sale directional signs will be placed leading people to Canyon Creek and to each street, so be ready for early birds.
- After the garage sale ends, please donate unsold items to your favorite charity.
